Star Tavern

Why is Star Tavern's pizza the best? A combination of great ingredients, constant attention to detail and employees who care about the product they put out, says owner, Gary Vayianos. The signature Star Tavern style pizza has a thin, crispy crust topped with delicious sauce and high-quality cheese, then baked to perfection. The signature recipe has never changed, even despite price increases in mozzarella and tomatoes, "We would never change the good products that we use," says Vayianos. "We appreciate all of our

customers and are happy to learn that after 65 years, they still like us."
